## YARD WASTE PICKUP

### WHAT IS YARD WASTE

Yard waste includes clippings, limbs and leaves created from normal yard maintenance.

### WHAT ISN'T YARD WASTE

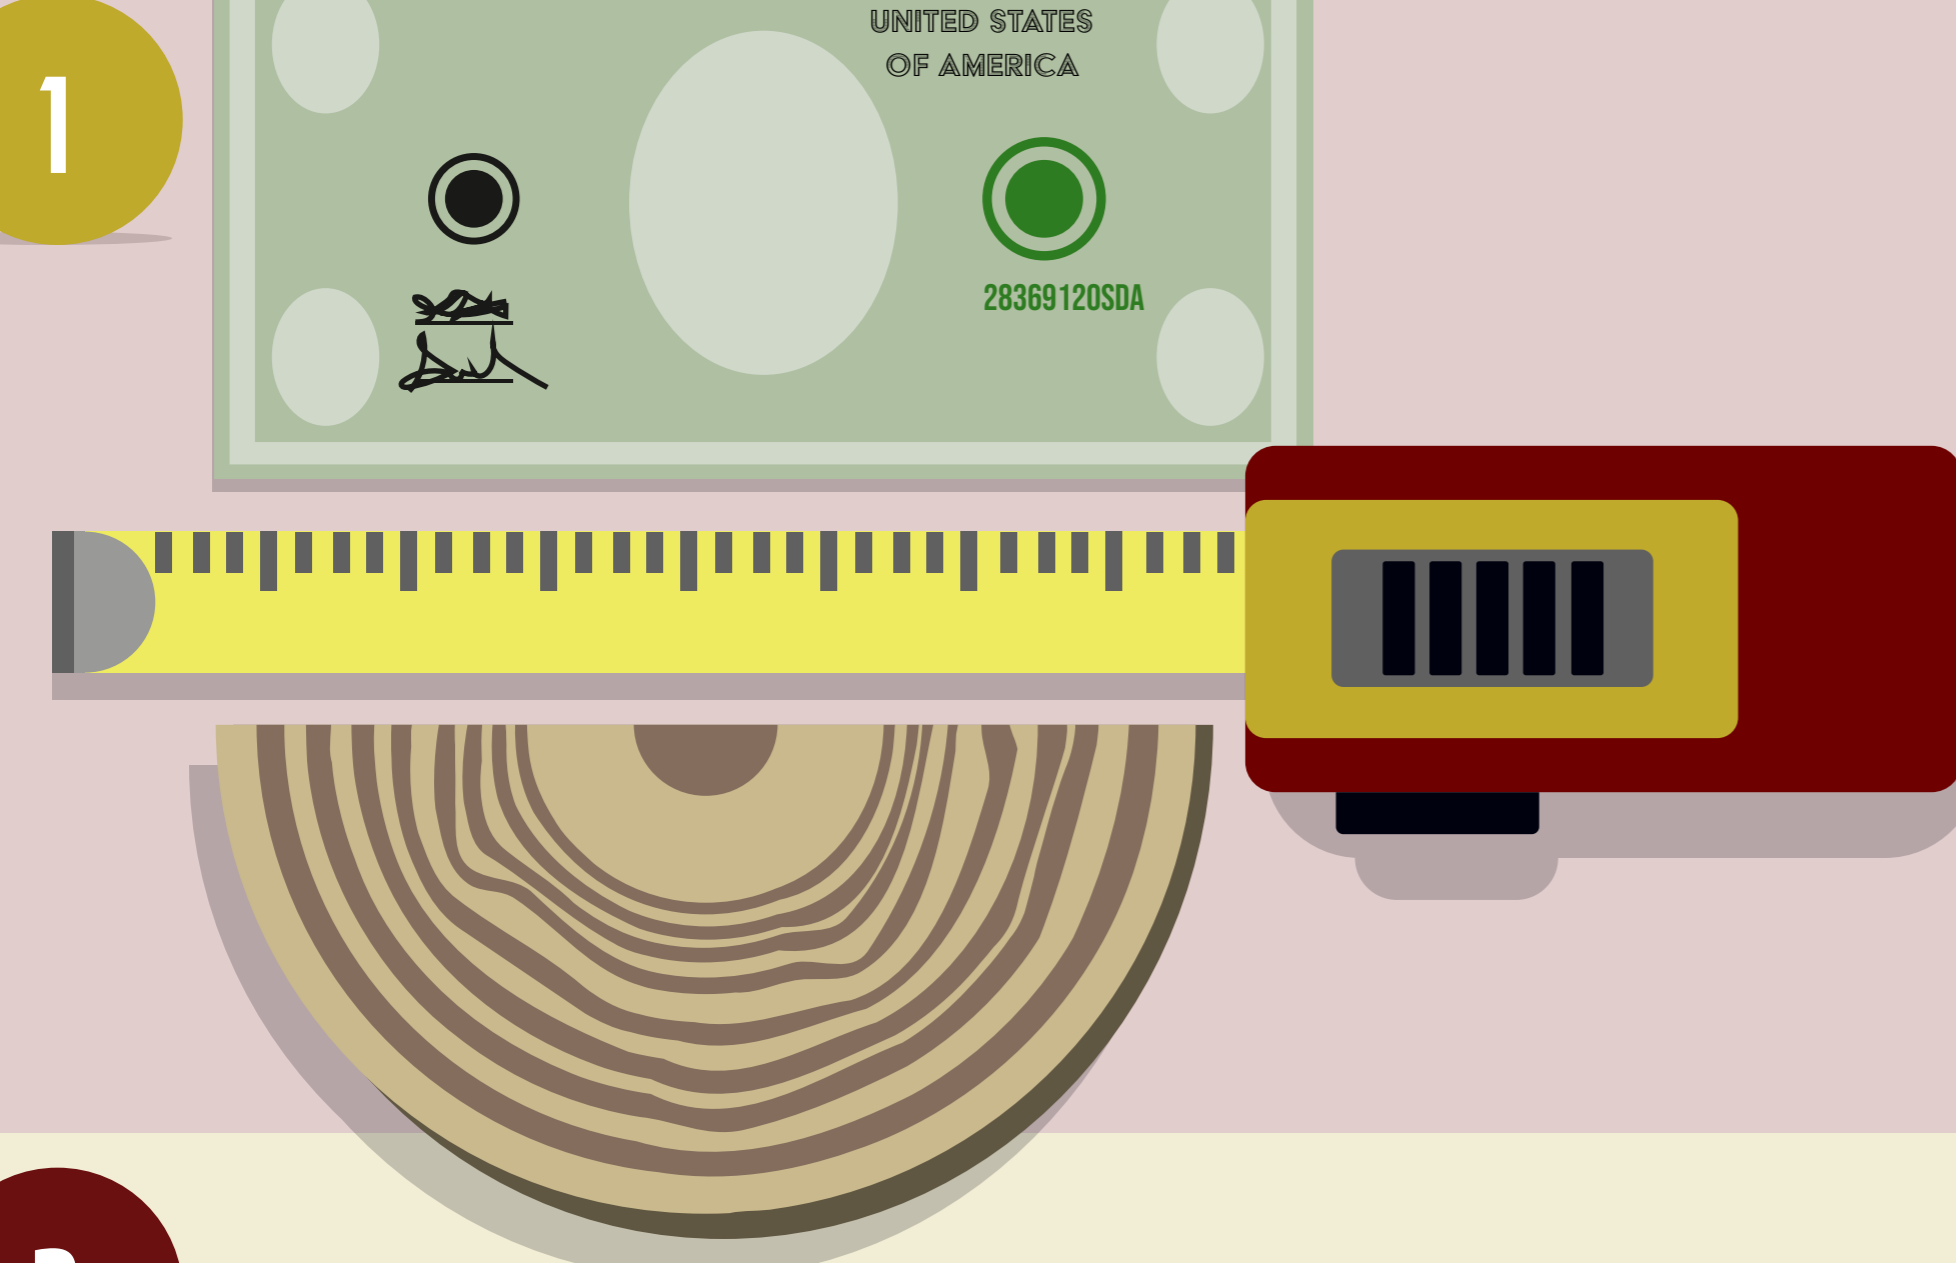

### OUR YARD WASTE PICKUP PROCEDURE

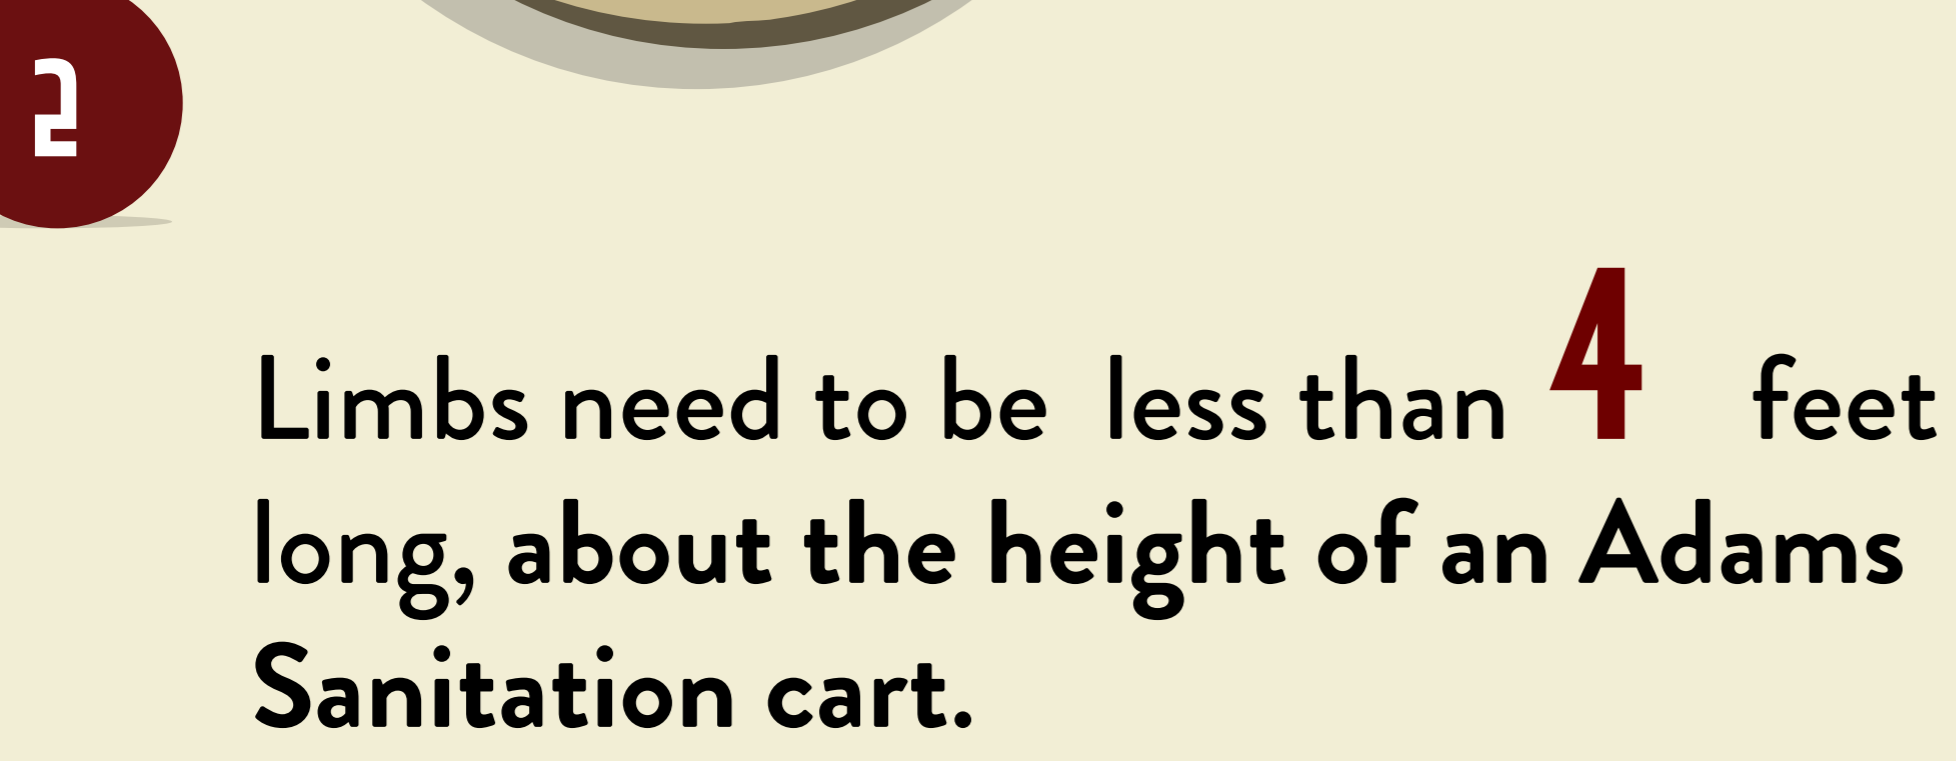

- 1 You put yard waste on the curb
- 2 Our trash crews note it for yard waste pickup
- 3 Our yard waste team takes your yard waste!

### YARD WASTE RULES

Limbs must be **6** inches or less in diameter in order to be picked up by our crews. That's about the width of a dollar bill.

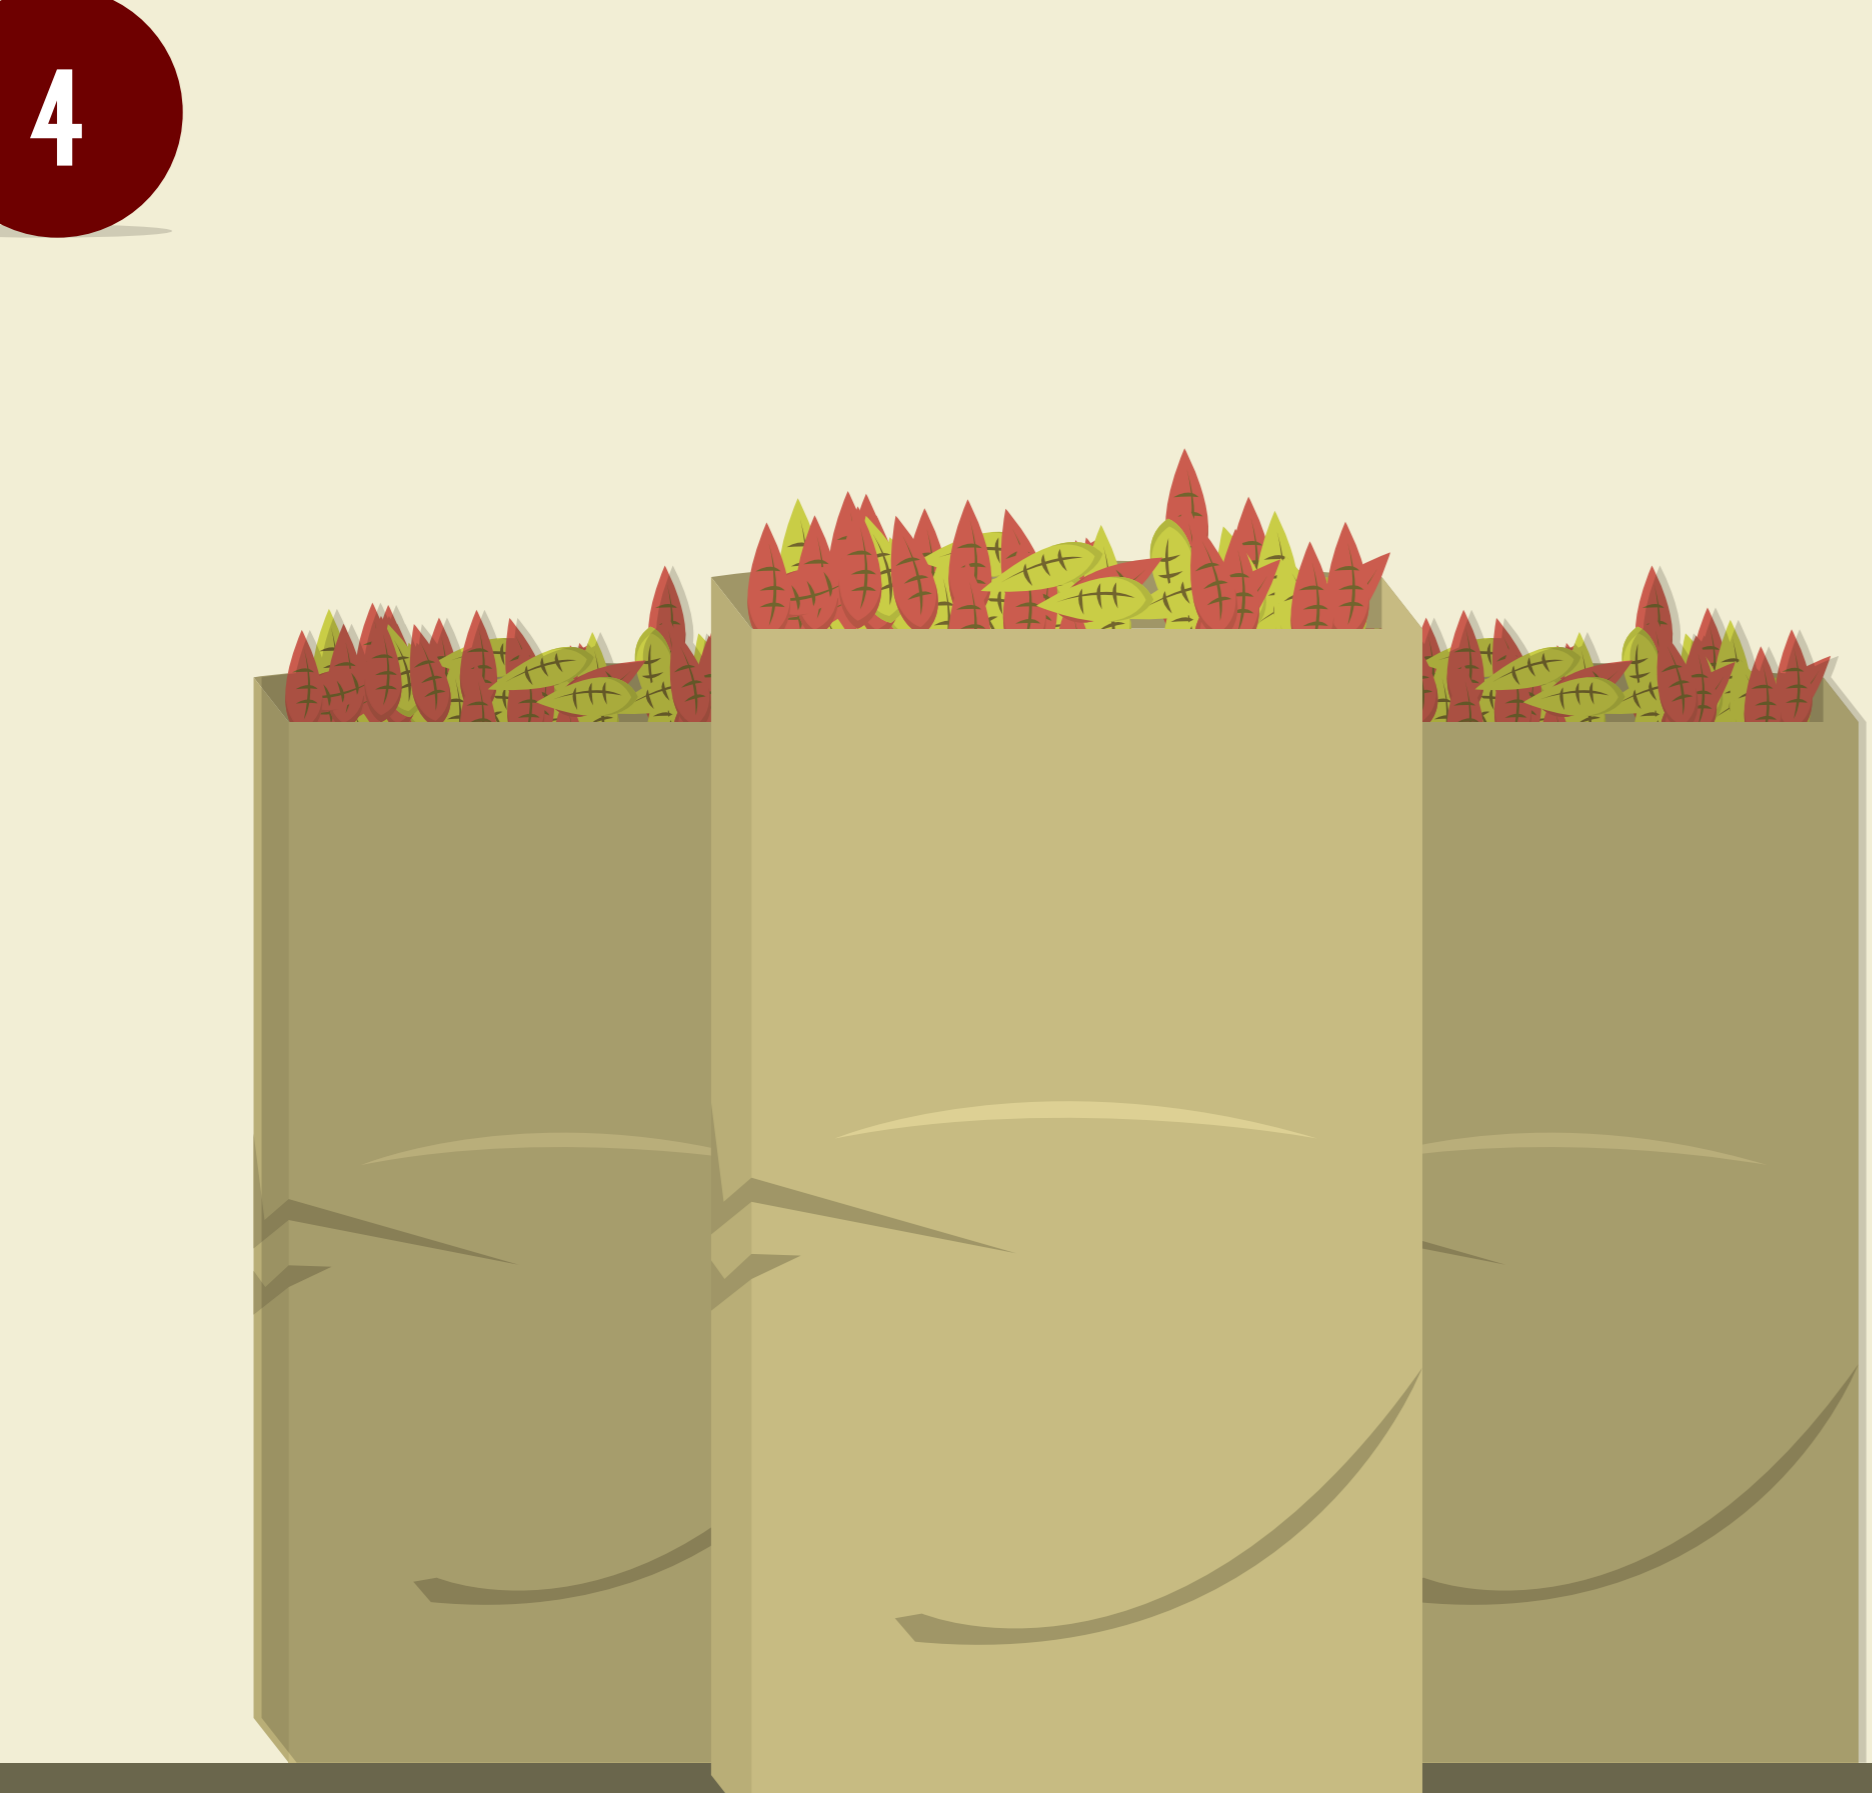

Limbs need to be less than **4** feet long, about the height of an Adams Sanitation cart.

MOST PEOPLE'S BUNDLE OF JOY

AL'S (BULK AND YARD WASTE SPECIALIST) BUNDLE OF JOY

Bundles of limbs should be tied together and manageable for one person to pick up.

Bag leaves. Unbagged leaves won't get picked up.
